HALL OF FAME

ACHIEVEMENT OF SIRE/DAM

The Hall of Fame has established two levels of achievements for Sires and Dams:

Merit
Distinction

A Sire/Dam of Merit is one who has produced a certain number of champion offspring indicating that the dog's producing ability is commendable and worth of recognition.

To Qualify for Dam of Merit a bitch needs to produce
5 champion offspring.

To qualify for Sire of Merit a dog needs to produce
6 champion offspring.

A Sire/Dam of Distinction is one who has produced a greater number of champion offspring indicating that the dog's producing ability is markedly superior and worth of special recognition.

To qualify for Dam of Distinction a bitch needs to
Produce 12 champion offspring.

To qualify for Sire of Distinction a dog needs to
Produce 16 champion offspring.

Records to chronicle the champion offspring are maintained from the AKC Gazette records for a calendar year [January-December]. New Sires/Dams of Merit/Distinction would be decided from this data.

Membership of breeder and/or owner in ACCC is not a requirement for entry into the Hall of Fame records, as this is recognition of achievement within the breed and not within the club. However, Certificates of Achievement would be awarded at the annual club banquet.
