Please review the award requirements and points table on the following pages.

List the credentials for this award

Category	Achievement	Points
	TOTAL Points	

Please read carefully before submitting your application.

1) Certificates will be awarded for the following versatility awards:

- a) VCC – Versatile Chinese Crested.
- b) VCCA – Versatile Chinese Crested Advanced.
- c) VCCX – Versatile Chinese Crested Excellent.

2) The following are the eligibility requirements for the various certificates:

a) VCC – The primary owner must be a member of the American Chinese Crested Club. Requires at least 5 Versatility Points from at least 2 of the categories.

b) VCCA – The primary owner must be a member of the American Chinese Crested Club. Requires at least 10 Versatility Points from at least 3 of the categories.

c) VCCX – The primary owner must be a member of the American Chinese Crested Club. Requires at least 15 Versatility Points from at least 3 of the categories, of which a minimum of 3 Versatility Points must be from the Conformation category (this means that to receive a VCCX the dog must be a breed champion).

3) Only achievements earned or recognized via the American Kennel Club are recognized. Only living dogs are eligible for the awards. Points will be awarded as follows:

a) When applying for the award, only the highest achievement at the time of the award will count towards the Versatility Award. For example, a dog with a conformation Championship will not be awarded additional points for being Major pointed but will receive the points only for the Championship.

b) When applying for additional awards, the Versatility Points are cumulative, meaning that they do not need to be re-awarded.

Ex. Three (3) Versatility Points from earning a conformation Championship will count towards a VCC award and will be counted again towards a dog's VCCA award.

Ex. A dog who was Major Pointed (1 versatility point) when applying for the VC award but who earns his Championship before applying for the VCCA award will be given credit for the Championship (3 versatility points) as its new highest achievement but the points earned for being Major Pointed will no longer be counted.

4) Categories and available Versatility Achievement Points Available:

5) In order to receive any of the three Versatility Awards you must fill out the application that will be located on the American Chinese Crested Club website and return your application to the Versatility Chair who will review the application to confirm that your dog is qualified for an award.

6) Award certificates will be e-mailed to the primary owner of the dog after the application is approved. Physical award certificates will be presented during the ACCC National's annual banquet. To have an award presented at the annual banquet, the award application must be submitted by April 30th of the same calendar year. (ex: applications submitted between May 1st 2022 – April 30th 2023 will be presented at the 2023 National).

7) Only living dogs are eligible for the awards and the primary owner of the dog must be a member of ACCC at the time the application is submitted to qualify the dog for a Versatility Award.
